

# BECON

10/25/2019

So this is what a breakfast meeting looks like. I think I remember them and how they go. Lanny Lucara brought Joey Lucara to breakfast today, Joe may be a guest in name, but we all know him and he is a great help during big events. Our only other guest was our guest speaker, Dee Dee Baker of Dog Tag Buddies and her special guest, Millie.

## ANNOUNCEMENTS

Dina has sent out an email because it is time for the Festival of Trees! She is searching for ideas for tree themes, she is even offering movie trailers in her emails now! Want more info or have some ideas, email Dina!

The Cat vs Griz food drive is in full swing. Both food tubs were looking pretty full, so Rene is thinking that she is going to have to go buy a couple of trailers to fit all of the food in, or something like that.

Rene rattle off a lot of events coming up, so look to your right and hopefully we got them all down, if not – Sorry Dina!

Dog Tag Buddies

Helping Veterans One Rescue at a Time!

Dee Dee Baker introduced herself and Millie to our group. She started up Dog Tag Buddies because her husband suffers from PTSD and one of the only things they have found to center him was their dogs.

We see a lot of animals all over the place with vests, going into shopping centers and restaurants. Dee Dee explained that most of these are not service dogs and a service dog is a very special animal. Most dogs can't become service dogs because it just isn't in their nature.
