

BECON

5/15/2020

Being the BECON editor during Zoom meetings has some positives and negatives. Positives are that Rene knows how bad I am, so she videos the meetings so it doesn't matter how bad I mess up the news gets reported. The negatives are no breakfast. Usually the becon editor can use the time while everyone is eating to take down some notes and get ready for the rest of the meeting.

ANNOUNCEMENTS

The last round of nominations was this morning. After hearing no more nominations, the ballot was closed and the current nominations were given some time to compose their thoughts for speaking to the masses.

District Convention is taking place via Zoom on May 30th from 9 am to 2 pm. The agenda will be sent to the entire district today.

Next week our guest speaker will be Susan with Big Sky Senior Services.

If you have a few minutes this weekend, take a drive by Amen Park to see the new renovations, they are supposed to be pretty cool!

The Speakers

For President Elect – Bruce Glennie

For Secretary – Tanya Doke Tweeten

For Foundation Board – Chris Cosine

For Board Member (2 year term) – Ryan Jenkins, John Wilson, Craig Burke and Tanner Critelli

Below is a link to the speeches for the nominations running for office. Let it be known that this reporter knows of no slander campaigns (although I tried to get some started) and no payouts were offered by any of the nominations for votes. (Once again, I tried). With that being said, you will just have to vote on who you think will do the best job. All four members that are running for the board have been on multiple committees during their time, in the club, and have always been there to help out where they were able to. Even though the other nominations are running unopposed, they have all been major parts of the club since they joined and the club is lucky to have these individuals stepping forward.
