The Book of Golden Deeds Award Recipient for 2021 - **Sandi Eaton**

Lisa Reinschmidt from CLDI was there to present the award to their rockstar volunteer, Sandi Eaton. Sandi is an entrepreneur who loves God and serves her family and the community selflessly. She is passionate about others, single mamas, those in recovery programs; she loves well. Sandi has helped cater banquets, brainstorm big ideas such as Kitchen 24, and helps run the bakery that produces the baked goods for Rail Line Coffee. (The blueberry bread is killer!)

One of Sandi's big ideas was to have apprentices from CLDI's apprentice program (6 total) learn how to run all aspects of the bakery from management, baking measurements, ordering and operations.

Congratulations Sandi on your well-earned award!

Next Tuesday, May11, 2021 is the board meeting and the breakfast meeting on Friday, May 14, 2021, will be a business meeting, so please no guests.
