There were no guests at breakfast but there was a lot of information that went around so we can get started with that!

*There are a few signs left for Mark Morris, but they are going fast. If you want one, let Tim Crowley know asap.

*Cavin announced the upcoming events for the club. We have a lot of events this month so sign up early and often.

*Our favorite club Treasurer, Ed, mentioned that he has had some people didn't receive an invoice for this quarter. Invoicing went out on the first of April. If you didn't receive and invoice, please let him know. This didn't mean you were the winner of the "no dues for a quarter" contest.

*Stacy gave us a reminder this morning that April is Child Abuse Prevention month, so where your blue on Mondays, take pictures and send them to her so that she can post them. Also, you can send them to Tony and he will post them on the district Facebook page. There is a lot going on in the month of April.

The pinwheel planting at the Metra took place at 11:30 Friday morning. Props go out to Rob Romsa and Dina for prepping the area on Thursday. It was a motley "crué" that showed up to plant the pinwheels, headed by Bruce Glennie. He may be a banker, but he handled a hammer like a pro! Also in attendance was Tim Crowley, Dave Weller, Adam Decker, Rob Romsa, Mario DeLaCruz, Stacy, of course, and Tony Parish.

April 21st will be the Pinwheel planting ceremony at the Courthouse. Stacy will get more info out on this soon!

There are plenty of t shirts and polos available, not to mention pinwheels and pins. Let Stacy know if you need any. There was a rumor somewhere that she will even plant the pinwheels in your yard if you ask pretty please! (rumor only)

*An ALL CLUB SOCIAL and Family Tree Fundraiser is happening April 18th at Hooligans starting at 4pm. Bring your friends to join Exchange, bring your families to have dinner and drinks. A portion of the proceeds goes toward the Family Tree!

*Bites of Billings is happening on April 28th. Dina said the list of restaurants is up to 25. She will get a list of participating locations out when they are all nailed down!
