

BECON

2-3-2023

Soooo I'll preface the start of this edition by stating that no notes were taken and so I am doing this sorta off the cuff. I did get some notes by our benevolent President Elect, so I have that going for me!

We had two guests this am for Breakfast, Shawn Callihan of C21 who has submitted his application and Mike Saunders, a guest of Brett Foster.

Announcements

April election for officers. Please think about running or nominating someone. Offices that are up for election are: President Elect, (3) board, secretary and (1) Foundation Board.

In the next few meetings, we will be sending around the committee signup sheet. This is a great way to get involved with the club especially for our newer members.

The board has been asked if we will have a tent at the air show. Cavin has this on the agenda for the next board meeting, though this might be something better suited for the social committee. Bruce mentioned that he has been in contact with the powers that be about serving beer at the air show, so stay tuned!!

District Convention is May 5th thru 7th in Anaconda. If you are interested please look at getting reservations for the hotel soon. Convention will be at The Forge, a Best Western Property. Reservations can be made by contacting them at 406.797.4100 or theforgeanaconda.com. Make sure you mention the Exchange club rate of \$139.00 plus tax. We will be honoring two clubs that have reached 100 years in Exchange at this convention, so it will be a very special event.

National Convention is in Phoenix is the 12th thru 15th of July. This is probably as close to Billings as this event will get. Here is the link to reserve your room and a copy of the convention registration will be included.

Once a month, members of the Legion will cook our Friday breakfast to give Maria and her crew a break. This morning was the first breakfast and it was amazing. Thank you to the gentleman that came and prepared such an amazing meal.

Hello Breakfast Exchange Club of Billings, We cordially invite you to attend the Grand Opening ceremony of our new Albertsons store in Billings on Saturday, February 18th at 9:00am. Our division president and new store director will provide details about the new store, share our excitement to grow along with the city of Billings, and make donations to six local organizations in the community who align with Albertsons pillars of giving. We will end the ceremony with the official ribbon cutting. Albertsons has remained committed to giving back to the communities where our customers and associates live and work. I am excited to let you know we will be making a donation in the amount of \$2,500 to Breakfast Exchange Club at the Grand Opening ceremony.

We would be honored to have you join us for the check presentation at the event and get a few photos with our leadership team. Anyone is welcome to attend our Grand Opening celebration on Saturday, February 18th.
