Dina announced a few more people could really be used for this weekend's football game.

Craig drew for the two golf teams we are entering a team into. On June 14 at Pryor Creek we have the Downtown Club's tournament, Duffers & Deuces. The players drawn for this team were Wiley T., Steve S., Rene C., Mike S. The alternate is Rod H. Shotgun start at 1:00 pm.

Second tournament is the Family Tree Center's tournament, also at Pryor Creek. This one is on June 28th with a 1:00 pm shotgun start. The players drawn for this team were Wade A., Randy T., Rob R., Jeff R. The alternate is Dan S.

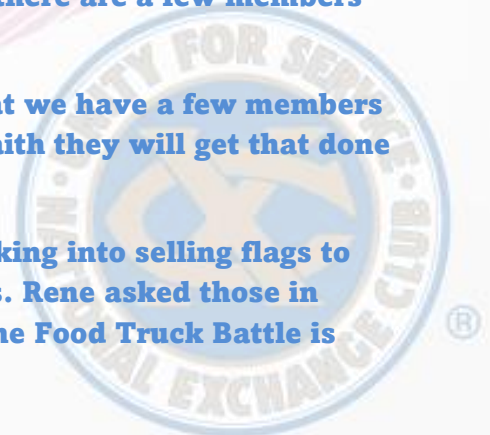

Program:

Full minutes are attached for your reference, but a few highlights not in the minutes include:

Ed added to his report already in the minutes that there are a few members needing to pay their dues.

Dina added to what was already in the minutes that we have a few members delinquent in getting their r-serving done. I have faith they will get that done right away.

As you read in the minutes, Rene and Tony are looking into selling flags to be up during the food truck battle as a field of flags. Rene asked those in attendance if they are willing to sell said flags as the Food Truck Battle is

maxed out and cannot also sell the flags and put them up. Members are needed to step and help out on both fronts. Those in attendance seemed to think it is a good idea and are willing to take in on. More information to come as logistics are all fine-tuned.

Other than that, everything can be found in the minutes.

Have a great weekend!

Dina
