

BECON

7-26-2024

Guests – We had one guest in house this morning, Darrel brought a long-time friend Becky Beavers to breakfast. Becky is a retired chef, most recently serving for three governors in Wyoming.

Let's all give a shout out to our favorite treasurer Ed, today was his last day with US Bank.

Thank you to everyone that donated prizes for the Bejot open as well as played in it. This is one of our best socials of the year and it is great to have a multitude of prizes to give out!

Tony gave a brief overview of National Convention, he was put on the spot and not expecting it so basically, he said it was really good. The one thing he did forget to tell everyone is that Dina was called to the stage to lead the convention in the Covenant of Service. She did really well!

Our guest speaker this morning "crapped out" on speaking at noon yesterday. So Dina went to her bullpen and asked Trina to give an overview on the BEC Foundation.

Originally Trina was going to do a check presentation of \$5,000 from the Foundation to Big Brothers and Big Sisters of Yellowstone County, but evidently Friday morning this week was a tough ask.

Stay tuned for a fall Bingo Fundraiser for the Foundation at the Columbia Club. The board currently consists of Trina White, Amber Parish, Kim Lewis, Tanya Doke, Cindy Taylor and Carol Fleming. They have done a great job over the past year to increase visibility to the foundation as well as a couple of fundraisers that added to the bottom line. As of today, there is a little over \$550k in the portfolio. Over the past 20 years, the foundation as donated over \$220k. If you add that with the amount of money donated by the club in general, it shows just how much we do in our community!

To go along with the Becon this week, there will be an attachment giving a little background on the foundation.

That was pretty much it for the day, we were done by 7:30 and everyone chatted and made sure no food went to waste.

Have a great weekend!!!
