

BECON

8-23-2024

Food Truck Battle Weekend!!!

So this BECON is being typed up Sunday morning, after the FTB. I will let Rene and her team talk about it next Friday. That being said, the committee did awesome!!!

Dress a Child will be November 16th. More details to be had soon!

Dina presented a check for Kids and Cowboys to Tim Crowley. She also presented a foundation check to Trina for \$3450.

The Foundation is gearing up for BINGO on September 28th at the Columbia Club. The event will start at 6. Let's Get Fresh will be on site for food. Bingo packets will be starting at \$50. The Foundation is looking for game sponsors as well. Contact Trina if you are interested in sponsoring a game. There will also be Cat/Griz board as well as Cat and Griz baskets to be able to win. This should be a LOT of fun. Incidentally, The Brawl is November 23rd.

Tuesday night is Hozier. Please show up at 5pm instead of the show up time on the website.

Our very own Jeff Roach, director of Aviation and Transit, was our speaker this morning. Here is some of the information he provided:

1. Logan has 2000+ acres for development. Part of their income comes from leasing land.
2. 2023 saw 840K passengers come through the airport as well as 77,816,344lbs of air freight.
3. The airport operates with 55 employees.
4. Their annual budget breaks down into a capital portion of 19.9 million and 10 million in operations.
5. B concourse is in it's last phase of completion.
6. The airport is working on it's 5th cargo bridge. The first 4 are at max capacity and a 5th is needed if they are going to expand cargo shipping.
7. Jeff and his team are working on flights into Calgary and Edmonton. Flights into these locations as well as seven others, is because those airports have their own on-ground customs stations.
8. The airport is working with several airlines about direct flights all year round to Los Angeles.
9. Jeff and his team utilize a Small Community Air Service Development Grant to help incentivize new carriers and routes.

If you haven't seen the remodel in the airport, it looks amazing. Check it out.

Upcoming Volunteer Opportunities

Hozier 8-27 @ 5

Cody Johnson 9-7 @ 6
