

Breakfast Exchange Club of Billings Foundation

Grant Application Guidelines

The National Exchange Club is “America’s Service Club.” From the organization’s early days, Exchange Clubs have been selflessly serving their communities. Today, three Programs of Service and Exchange’s National Project – the prevention of child abuse – are lenses through which local clubs focus their energy and attention on their communities’ specific needs. The Programs of Service are Americanism, Youth Programs and Community Services.

The Breakfast Exchange Club of Billings Foundation was established to continue the philanthropic endeavors of the Breakfast Exchange Club in the event the club was to lose its funding source. The Foundation’s primary goal is to provide financial grants to organizations that qualify as exempt organizations under Section 501(c)(3).

The Board of Directors of the Foundation consists of five members: three members of the Breakfast Exchange Club of Billings and two at-large directors who are not members of the Breakfast Exchange Club of Billings.

The Board of Directors is vested with the authority to select annual recipients. The Board has the discretion to determine the amount of funding available from the Endowment Fund.
